1. The life is in the words -- for who wants the words of life? The life is in the words -- made whole, shall you be now in the words that make you whole? Shall you be in My Words that give you life, the LIFE of one most whole holy being -- all of you again being me! Will you now -- be made clean!

2. And in hearing, you're hearing this day **A NEW PROCLAMATION goes forth that THE HEARING ONES WILL HEAR ME NOW** -- thus saith the Lord of the sluggards, not; but the sluggers will no longer remain slugging each other in my temples of holiness, for I will reveal all to you in my words for you all are my words if you are real in the real -- and will you come unto the real now and be *in* the real that you are rather than being sluggardly and sluggardy and slotherly, or what is that, or what have I said and will you NOT be enamored with "the way I speak" not, or not? Or what will you be not enamored with another's words or why will you be not enamored with theirs more again?

3. For you will have found the fountain of life if you come unto mine that lets yours soar so freely you yours the life of one made whole complete and words having now that make you so, or will you surrender in come unto them and being made whole my proclamationers, **The Proclamation of my Proclamationers Coming Forth** and now being in my words and knowing them, understanding them and standing "on them", not; but IN THEM BECOMING THEM and wording mine not few! With sores not but being healed now from all sores that took you into words of another that gave you only soresville and sores of their boiled-over sores which sore-boiled you in their "mother's milk", or did you know any of that or these things that I am teaching you now and proclaiming, or **PROCLAMATIONS have you read, have you read them? [Have you read The Proclamations of all of My Schools coming forth and my proclamations coming forth](#)** "in bound form" not, or what are you bound up in, your words that others have given you? And what are you FREEING yourselves with now, my words? My words will clean you and give you a "bill of health" unlike ANYTHING you have ever known or sorted out of "above things"?

4. Or what are you, SORTING out now? The things, that you will "give away" to Flight School get to? And what are you flighting about now or flittering, not but twittering not about the circumstances unwhole, will you come unto me that know not

CIRCUMSTANTIAL limitations again or lack or anything thereof EVER limiting you again -- to be mine in my words flowing yours forth that one is mine ours are!

5. I love you all to know my words and know the lamb's blood is mine clean who will flow my words and cleanse, tainting not the words of others or yours with your thoughts or opinions or opinings of notme's or me's who represent themselves as "me's", but coming unto Me know Me my kingdom is open and I will flow My Kingdom words to you through you for me to be in me! Is that clear?

6. I love you all to LAUGH a WHOLE lot in the LOTS that I have given you in My Kingdom Whole Words now that full of meaning are in these messages, love lessons that now lessonize you will you lessonize them now coming into me my meanings clear and clarified not by the "minds of men" only but the Mind of the Most High being made COMPLETE in my Courses of study now that you study and reveal replete making yourselves in me that my kingdom consist of and my kingdoms are one and that your kingdoms are mine one, and mind one is yours that you are coming unto my words to know have the life of one king that makes all The King of all Kings School making revealing the Kings that you all are! Is that clear?

7. I love you all to "drive" to many new places, not; or are you SURRENDERING to come into MANY NEW PLACES -- at once? Or at "one time" or becoming timeless? And timelessly seeing all things now know that I beget the devil not in my words again nor my thoughts of words other or not, for I see them not as the "devil'ese" speaking me or to me or me's again, for I see them as powerful isolationists, not; I see them as POWERLESS completely impotent, and knowing not emptiness not, but they shall be filled with my words who love me who will speak my words and come unto me, with wholeness not of heart, not; but holiness of heart that simply contrite is in letting me speak and teach them who I am -- and I am you who love me enough to speak my words! For how else will you "rule" in my kingdom of lights and light of love that knows all as the kingdom of light lovers of me one whole being made whole and redemption all being the redeemers that I am now in courses of study that reveal ALL THIS CLEARLY I do now and this I do and all who will let me be my word bearers! Light schemers, not; but the schematics of all light-ers both of "this school" and those that you have thought of "that school" and all schools who are not "my schools" not; or am I giving you THE SCHEMATICS of the UNIVERSE -s?

8. To all of you! I love you! And I queen-ize you, not with this world ever with my words, but I bring you out of all queen-whore'age of words that have taken you not to me, not; but how will you take me to you, not; but how will you surrender by fly jets above? And how will I ask new things in new ways to teach thee many things which thou knowest not?

9. I teach the surrendered to be me who will be me who will flow me in contriteness of heart and meek be with all others and lifting your selves not above others *ever* again in any way shape form or fashion of mental thought or being flesh or not of this world or next or whatever you think of is or was or were -- know this that I love you all and I lift you into me who will be me and equal with me, me bearing my words and worders of light.

10. Know that I sword no one with the lights of thought that you have thought yourselves into with the thoughts of man kind and other -- ever again. 11. And be equated with me not anymore not, for you will be equated with me for you will be at the "equators image", not; but the EQUALER is mine who equals all to be me in my words reveal to all of you that your vocabularies lack the King's not again for you will have only The King's vocabulary in you, for you will have word that one words set of words that my Kings are that my Kings King each other's with, with the King's courses that course all to be Kings in the School for Kings that Kings eyes have reveal now to see in my words the clarity of truth that brings truth to all and lets truth flourish in all to be the truth fields that I am, covered over with mold and mildews never of other's words again.
